Telugu Dubbing For Movies April 8, 2017 - 6:32 pm Amazing people say that God is bad and my father is saint but you should see God and him if your going to judge anything. Movies should come to my house with dubbing and subtitles.. I am not fussy about language but dubbing is a must! The movie was pretty good and I gave it 4 but after a couple of years its songs get on my nerve. The movie does not look much good with songs from the past 20 years. Movies and music both are products of today. Even im pretty much with music. when the movie has a good story and dialogues I can sit back and enjoy the movie regardless of the songs. If it had appropriate songs from the past, the movie would have been pretty nice to watch. Well, I'm with you there. But still few movies with good soundtrack has been done in Telugu. Like ATM, Peddarayudu etc. sadly most of the songs from the film have been hit songs from the past, though the film itself is very good. I'm a huge fan of Suniel but 99% of the time his songs are crap. It's mind blowing! But then again he puts a lot of effort in his music and works with so many artists so it shows! One thing I have found from watching him, is that he is the only one who pays attention to the lyrics. People say that God is bad and my father is saint but you should see God and him if your going to judge anything. Click to expand... I've seen God.....God is not bad and is not bad. Only we are bad. God is not bad at all. He does good to us all the time. It has been a long time and I am telling you the truth. These days, a film is rated based on three key attributes - technical know-how, narrative strength, and storytelling. The third attribute is the most important one, and plays a very crucial role in what may be termed as the ultimate. The technical aspect of the movie is not up to the mark and it is due to the fact that the biggest highlight of the movie is its sound, which is not up to the mark. Its story, written by Puri Jagannath, is an old one and it starts to feel stale at times. The negative aspects of the movie are.
